Dear Sir:

In response to the October 8, 2010 Notice of Allowance, Applicants filed the Issue Fee Part B (PTO-85B) on January 10, 2011. Applicants duly paid the Issue and Publication Fees of \$1,810. Attached is a copy of the Electronic Patent Application Fee Transmittal as-paid.

On the filing date, the application was erroneously filed under a "Large" entity status. Please note that small entity status is appropriate for this case and such an error was without any deceptive intention on the part of the Applicants. Applicants thus hereby assert entitlement to small entity status, and respectfully request that the entity status be amended to a "Small" entity and request a refund to be made accordingly. The refund amount is \$755 (1/2 of the Utility Issue Fee).

Applicant believes that no fees are due for this request. However, should any fees be required, please consider this a request and authorization to properly charge our USPTO Deposit Account No. 022093 as necessary.

Dated: January 18, 2011

Respectfully submitted,

/peterbscull/
